PRELIMINARY AMENDMENT

Sir:

This Amendment is responsive to the Advisory Action, dated 03 February 2003, for the above-identified patent application.

Please amend the above application as follows:

In The Claims

Please amend Claims 1, 22, 32, 42, and 46 as follows (Clean copy):

-
1. *sl* A method of advertising, the method comprising:
maintaining an Internet-related communication session between a user and a
e! portal; and
during the communication session, periodically selecting and playing
advertisements automatically based on any one of user constraints and sales criteria.
-
